ORDER:-

In the reference read above, the Engineer-in-Chief (R&B) SR, Hyd., has stated that the Hunter road is an important by-pass road in Warangal city which starts at Subedari on National Highway, Hyderabad- Bhoopala Patnam road and connects State Highway Rayapatnam- Khammam- Kodad road at km 5/10, and ends on the road at Venkatrama theatre to Khammam. It is an important road which links Warangal Railway station with many bus centres in the city. The traffic on this road is very high, as it is serving as by-pass road for commercial vehicles coming from Hyderabad, Khammam and Karimnagar and also serves the public as urban road. It is the shortest route to reach Warangal area from Hanumakonda and Kazipet townships. Many schools and colleges are located on this road. Further, tourists from various places also travel on this road to visit Vana Vignana Kendram which is located on this road. As the existing width of carriageway from Km 0/0 to 2/0 is 10.00 M and from Km 2/0 to 6/2 is 7.0 M, frequent traffic interruptions and accidents have been taking place and causing great inconvenience to the road users. The traffic volume on this road is 36024 PCUs to 41812 PCUs per day. As such, the traffic volume qualifies to convert the double lane to four lane. Hence, it is necessary to widen this road to four lane with central median and side drains for free and safe passage of traffic. The construction of drains, lighting, and their maintenance is the responsibility of respective local body.

2. The Engineer-in-Chief (R&B) SR, Hyd., has further stated that the existing low level cause way in Km 4/0 -2 with 14V of 3.00m span is getting submerged frequently in rainy season and causing traffic interruptions frequently and it is also necessary to construct a high level Bridge in place of existing low level cause way.

3. The Engineer-in-Chief (R&B) SR, Hyd., has further certified that the Stage-I approval is not required as detailed investigation was completed and designs are finalized. No land acquisition and shifting of utilities are required for taking up the subject work without interruption in the first two years. Accordingly, he has requested to accord necessary administrative sanction for the work "Widening of Hunter road to 4-lane from Km 0/0 to 6/2 in Warangal town limits in Warangal District" for an amount of Rs 2400.00 lakhs under PLAN (MDR).

4 Government after careful examination of the matter hereby accord administrative sanction of Rs. 2400.00 lakhs for the work "Widening of hunter road to 4-lane from Km 0/0 to 6/2 in Warangal town limits in Warangal District" under PLAN scheme in financial year 2012-13.

5. The amount sanctioned in Para (04 ) above shall be debited to the Head of Account ""5054 – COL on Roads & Bridges; 04 – District and Other Roads; MH-800 – Other Expenditure; GH11 - Normal State Plan; SH(07)- Major District Roads; 530 – Major Works; 531 – Other Expenditure".

(P.T.O)

6. The Engineer-in-Chief (R&B) SR, Hyd., shall take further necessary action accordingly.
7. This order issues with the concurrence of Finance (Expr. PW) Dept., vide their U.O.No.10751-13/412/A2/Fin.PW/12 Dated 16-4-2012.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
